INDEPENDENT AUDITORS' REPORT

To the Board of Directors of United Way of St. Johns County, Inc.

Opinion

We have audited the accompanying financial statements of United Way of St. Johns County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of St. Johns County, Inc. as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of St. Johns County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of St. Johns County, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of St. Johns County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of St. Johns County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Carr, Riggs & Ungram, L.L.C.

The accompanying notes are an integral part of these financial statements.

Note 1 - ORGANIZATION

United Way of St. Johns County, Inc. (the "Organization") is a not-for-profit corporation founded in 1957 in St. Johns County, Florida.

The mission of the Organization is "To positively impact lives in St. Johns and Putnam Counties" with a vision to inspire and lead the community in a united effort by providing transformative health, education and financial stability for all generations by collaborating with donors, partners and volunteers. United Way of St. Johns County, Inc. fights for the education, health and financial stability for every person by focusing on the things that everyone needs for a good life: a quality education that leads to a stable job, enough income to support a family through retirement and good health.

United Way of St. Johns County, Inc. brings together agencies, businesses, organizations, faith-based groups, government and individuals to focus on the community problems that matter most working with partners that share the same vision and have the energy, passion, expertise and resources to get the work done. The Organization strategically invests in quality programs, building partnerships, advocating for better policies, engaging our community and leveraging resources.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents includes all cash balances and highly liquid investments with an original maturity of 90 days or less.

Restricted Cash - custodial account

The Organization has an agreement with St. Johns and Putnam County Long-Term Recovery Organization, in which the Organization acts as the fiscal agent and disburses funds as instructed under the agreement.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Pledges Receivable and Allowance for Uncollectible Accounts

Unconditional promises to give are recorded as pledges receivable and contribution revenue when the promise is made. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of a discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. Pledges receivable and related contributions are initially recorded at their net realizable value based on amounts expected to be collected from donors. This valuation reflects net pledge balances at a level which, in the judgment of management, is adequate to meet the present and potential risks of uncollectibility of the pledges receivable. Management's judgment is based on a variety of factors, which include experience related to charge offs and recoveries, previous collection history and scrutiny of individual accounts. Specific accounts are written off once they are determined no longer collectible. For the annual campaign, any remaining uncollectible pledge balances are written off after two years.

Investments

The Organization reports investments in equity securities, mutual funds and exchange traded funds (ETFs) at their fair values in the Statement of Financial Position. Investment income or loss (including gains and losses on investments and interest and dividends) is accounted for as a change in net assets without donor restrictions, unless previously restricted by donor specifications or law. Realized gains and losses on disposition of investments are determined by comparison to specific cost of acquisition to proceeds at the time of disposal. Unrealized gains and losses are calculated by comparing cost to market values at the statement of financial position date, and are reported as a change in the appropriate net assets class dependent on restrictions, if any.

Property and Equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

Net Assets

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in it corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Revenue Recognition

Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

A significant portion of the Organization's grants are from other nonprofit agencies. The benefits received by the public as a result of the assets transferred are not equivalent to commensurate value received by the nonprofit agencies and are therefore not considered exchange transactions. Grants and contracts are analyzed for measurable performance-related barriers or other barriers. Revenue is recognized as barriers are met. Funds received from non-exchange transactions in advance of barriers being met are recorded as refundable advances.

Donor Designated Campaign Contributions

Contributors may give by designation to a specific agency as long as it is a not for profit, as determined by the Internal Revenue Service code 501(c)(3) and is approved by the Internal Revenue Service as eligible to receive charitable contributions that are deductible for federal income taxes. Contributions and pledges designated to specific agencies not yet paid are classified as current liabilities on the statement of financial position.

Donor-Restricted Endowments

As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization's endowment consists of two individual funds established for specific purposes and are classified as donor-restricted funds. The Organization has interpreted the law governing management of endowment funds to require the maintenance of the historic dollar value of donor restricted donations. Income from the donor restricted endowments is recognized as without donor restriction income in accordance with the terms of the endowment. In accordance with the law, these funds are then available for expenditure when the specific donor criteria are met. In the absence of donor stipulations or law to the contrary, losses on the investments of a donor-restricted endowment fund reduce net assets without donor restrictions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

If losses reduce the assets of a donor-restricted endowment fund below the level required by the donor stipulations or law, gains that restore the fair value of the assets of the endowment fund to the required level are classified as increases in without donor restriction net position.

Donated Assets

Donated investments and other noncash donations are recorded as contributions at their fair values at the date of donation.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers also provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Community Impact Payable

The Organization makes unconditional promises to pay near the end of each fiscal year. The community impact payable represents that funding commitment at year end. These amounts are scheduled to be paid out by the next fiscal year.

Functional Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. The allocations to agencies includes funding made directly to the various programs for operating needs, as well as other expenses and have been allocated to program services on the Statement of Functional Expenses. All other natural expense categories included in the Statement of Functional Expenses are allocated on the basis of actual time and effort.

Advertising Expenses

The Organization uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred. Advertising costs totaled \$12,345 for the year ended June 30, 2022.

Income Taxes

Under section 501(c)(3) of the Internal Revenue Code, the Organization is exempt from taxes on income other than unrelated business income. Unrelated business income results from rent, administration of self-insurance activities, and commissions. No unrelated business income was identified for the year ended June 30, 2022.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Organization utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2022, the Organization has no uncertain tax provisions that qualify for recognition or disclosure in the financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, February 23, 2023. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Accounting Pronouncements Issued but Not Yet Adopted

Accounting Standards Update 2016-02

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). The guidance in this ASU and its amendments supersedes the leasing guidance in Topic 840, entitled Leases. Under the guidance, lessees are required to recognize assets and liabilities on the consolidated statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statement of activities. For nonpublic entities, the standard is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact of this ASU on the Organization's financial reporting.

Recently Issued and Implemented Accounting Pronouncements

Accounting Standards Update 2020-07

In September 2020, the FASB issued ASU No. 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. This change in accounting principal is effective for fiscal years beginning after June 15, 2021. This change in accounting principal did not have a material impact on the financial statements. See Note 11 for added disclosure of the donated assets for the year ended June 30, 2022.

Note 3 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization maintains its financial assets primarily in cash and cash equivalents to provide liquidity to ensure funds are available as the Organization's expenditures come due. The following reflects the Organization's financial assets as of the statement of financial positon date, reduced by amounts not available for general use within one year of the statement of financial positon date because of contractual or donor-imposed restrictions.

June 30,		2022
Total assets at year end	\$	1,960,394
Less non-financial assets		
Restricted cash - custodial account		(9,002)
Prepaid expenses and other assets		(14,045)
Property and equipment, net		(158,815)
Financial assets at year-end		1,778,532
Less those not available for general expenditures within one year, due to contractual or donor-imposed restrictions		
Restricted by donor with time or purpose restrictions		(258,311)
Financial assets available to meet cash needs for general		
expenditures within one year	Ş	1,520,221

Note 4 - PLEDGES RECEIVABLE

Pledges receivable (unconditional promises to give) consist of campaign pledges. The Organization conducts a campaign annually that features contributor choice. Contributors may give through the United Way funds in which experienced local volunteers, who are knowledgeable of local urgent needs and who review and monitor programs, decide which services of certified agencies will receive money as well as to what extent. The pledges are substantially collected within 12 months of the initial pledge. Therefore, no discount is reflected to adjust the pledges to the present value at the time of the pledge. Pledges receivable consist of the following:

June 30,		2022
2020-2021 campaign	\$	113,509
2021-2022 campaign		356,105
Less, allowance for uncollectible pledges		(183,454)
	ė	206.460
Pledges receivable, net	<u>ې</u>	286,160

Uncollectible receivables totaled \$7,576 for the year ended June 30, 2022.

Note 5 – INVESTMENTS

Investments consist of the following:

	2022	
\$	6,986	
	151,206	
	75,955	
\$	234,147	
-	\$	

Note 6 - PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	Estimated useful	
June 30,	lives (in years)	2022
Land	-	\$ 18,000
Buildings and improvements	39	219,344
Furniture and equipment	3-10	62,675
Total property and equipment		300,019
Less, accumulated depreciation		(141,204)
Property and equipment, net		\$ 158,815

Depreciation expense for the year ended June 30, 2022 was \$15,861.

Note 7 – NET ASSETS

The detail of the Organization's net asset categories are as follows:

June 30,	2022
With donor restrictions:	
Building fund	\$ 2,000
Disaster relief	6,930
Empty stocking fund	48,325
Services to individual clients	15,634
Ring Power employee fund	24,579
RealSense program	23,843
Susan Harry endowment	107,000
St. Luke's Medical Organization endowment	30,000
Total with donor restrictions	258,311
Without donor restrictions:	
Undesignated	 1,008,680
Total without donor restrictions	1,008,680
Total net assets	\$ 1,266,991
A summary of the release of donor restrictions follows:	
June 30,	2022
Purpose restrictions	
Individual emergency fund	\$ 15,643
Ring Power employee fund	2,752
RealSense Program	4,246
Empty Stocking Fund	 46,546
Total net assets with donor restrictions	\$ 69,187

Note 8 – ENDOWMENTS

The Organization's endowment consists of two individual funds. The endowment funds corpus of \$137,000 are restricted in perpetuity under the provision of the gift agreements. In any given fiscal year, the income of the funds may be disbursed. The Organization has established an investment policy to manage the endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Note 8 – ENDOWMENTS (CONTINUED)

Absent explicit donor stipulations to the contrary, the Board of Directors of the Organization has interpreted the State of Florida's Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization retains in perpetuity and classifies as net assets with donor restrictions (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk.

Endowment assets are invested in a well-diversified asset mix, which includes equity securities and mutual funds. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to prevent exposing the fund to unacceptable levels of risk.

From time to time, certain donor-restricted endowment funds may have fair values that are less than the amount required to be maintained by donors or by law (underwater endowments). The Organization has interpreted SPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. During the year, the Organization did not appropriate any expenditure from underwater endowments.

Note 9 – FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Note 9 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022.

Equity securities: Valued at the daily closing price as reported by the fund. Securities held by the Organization are registered with the SEC. These securities are required to publish their daily net asset Value (NAV) and to transact at that price. The securities held by the Organization are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

As a valuation technique, the Organization uses the market approach. The Organization's fair value measurements for assets that are measured on a recurring basis are quoted prices in active markets for identical assets and all investments are classified as level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Note 9 – FAIR VALUE MEASUREMENTS (CONTINUED)

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total assets. For the year ended June 30, 2022, there were no significant transfers in or out of Levels 1, 2 or 3.

Note 10 - CONCENTRATIONS OF RISK

The Organization maintained cash deposits with one financial institution at June 30, 2022 in excess of federally insured limits of \$15,396.

Concentrations of risk with respect to pledges receivable are limited due to the significant number of diverse contributors. However, the contributor base is concentrated in St. Johns and Putnam Counties, Florida, which are the Organization's service area.

Note 11 – DONATED SUPPLIES

The Organization receives various types of donated goods. Contributions of tangible assets are recognized at fair market value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in in-kind expenses.

The estimated fair value of donated supplies included in the financial statements are as follows:

June 30,	2022	
Clothing	\$ 5,525	
School supplies	9,618	
Other	8,302	
Total donated supplies	\$ 23,445	

Note 12 – DEFINED CONTRIBUTION PLAN

The Organization sponsors a defined contribution plan (the Plan) covering all employees 21 or over with at least six months of service or 1,000 hours who agree to make contributions to the Plan. The Organization makes a contribution to the Plan each year equal to 100% of the salary deferrals that do not exceed 3% of each participants' compensation plus 50% of salary deferrals between 3% and 5% of each participants' compensation. Total expense for the year ended June 30, 2022 was \$13,927.

Note 13 – RELATED PARTY TRANSACTIONS

During the year ended June 30, 2022, the Organization received contributions of \$10,761 from members of the Board of Directors.

During the year ended June 30, 2022, the Organization paid dues in the amount of \$22,560 to state and national affiliates. The amount is included in membership and dues on the Statement of Functional Expenses.
